Can't Eat Cake and Have It, Says Commissioner, In Effect In Effect
It is extremely unlikely
that any reduction will be
made in last year's mill rate
of 46.5 and on the basis of
the present budget the mill
rate may be increased this
year. This was evident Thursday
morning when complete
budget, showing all proposed
expenditures, and representing an increase of about
\$300,000 over last year, was
received by the city commisshonters from Comptroller J.
Hold.
